SECTION 1: INTRODUCTION

MISSION STATEMENT
The Minnehaha County Jail shall provide safe, secure housing of inmates and continued public safety. The Jail will:

- Operate in accordance with the US Constitution, Federal and State laws, under the direction of the Sheriff.
- Operate in a cost effective manner, without compromising the safety and security of staff, inmates, and visitors.
- Not discriminate against staff, visitors, or inmates because of race, religion, sex, national origin, age, or disability while providing the ability to maintain family ties and community contacts.
- Provide inmates with necessary and legally required medical, mental health, and dental services consistent with the standards for health services established by the National Commission on Correctional Health Care and American Corrections Association.
- Maintain those in custody in a safe and humane manner until legally released.
- Provide a detailed explanation of the facility rules and hold all individuals accountable for their behavior.
- Provide a range of programs and services to reduce idleness and to encourage inmates to improve themselves to reduce further criminal activity.
- Provide staff with initial and ongoing training in order to provide professional development in accordance to the American Corrections Association.

INTRODUCTION
This handbook is designed to provide inmates housed in the Minnehaha County Corrections Center (CCC) with important information during their time at our facility. Information included pertains to Minnehaha County rules and regulations, living instructions, sanitary requirements, and general information to help you with the normal routine of being in custody.

You are responsible for understanding and abiding by all of the information contained in this Inmate Guidebook. If the information contained in the Inmate Guidebook is not completely understood or you have any questions, ask a staff member for an explanation.

Most inmates want to do their time in the best possible way and be released as soon as possible. Some inmates, however, have the mistaken impression that the rules and regulations do not apply to them. They attempt to establish their own methods of operation by creating unrest and causing trouble.

If a disturbance, mass assault, assault, or demonstration occurs, go immediately to your housing area or other area as directed by staff and remain there. Inmates who participate or encourage these actions and behaviors will face disciplinary action and criminal prosecution. Avoid any behavior that may connect you with the trouble in any way.

The safety and security of you (the inmate), the facility, and correctional staff is of the upmost importance. The rules and regulations that have been implemented in this facility support our goal of safety and security.
If at any time, you believe you are in danger of being physically assaulted or abused (including sexual assault or sexual abuse), you should report your concern to a staff member so action can be taken to ensure your safety.

**PRISON RAPE ELIMINATION ACT (PREA)**
The Minnehaha County Jail has a zero tolerance policy for any type of sexual contact, consensual or otherwise, between inmates, staff, contract workers, visitors, volunteers, and inmates. It is mandatory that you contact a staff member immediately if you become aware of any such situation. You may immediately speak with the Correctional Officer assigned to your unit or request to speak with a Supervisor, Jail Sergeant, Jail Lieutenant or Warden. You may also send a written request or letter to any staff member. Any reports of sexual activity will be fully investigated and persons involved may be subject to disciplinary action and criminal prosecution.

**CCC STAFF**
When a staff member gives an order or directive, **IT IS EXPECTED TO BE FOLLOWED IMMEDIATELY AND WITHOUT QUESTION**. Inmates not following staff member’s orders or directions shall be subject to immediate disciplinary actions. **WHEN AN OFFICER CALLS FOR LOCKDOWN, INMATES SHALL IMMEDIATELY RETURN TO THEIR BUNKS.**

**SECTION 2: FACILITY ORIENTATION**

**INTERCOM AND EMERGENCY CALL BUTTON**
The Intercom / Emergency call button can be used to call for assistance in case of an **EMERGENCY** only. Emergencies must consist of life or death medical problems, fights or disturbances, suicide attempts, fires, water flooding or sewer back-up. All other **NON-EMERGENCY** problems are to be handled through a request via the kiosk system or through direct staff contact. Anyone abusing the emergency intercom system will be subject to disciplinary action.

**INMATE IDENTIFICATION**
Work release inmates will be issued an inmate identification card upon (DOC inmates excluded). The cost of this identification card is $5.00. If your ID card is accidentally broken or damaged, report it immediately to an officer to be replaced. If an ID card is lost, stolen, or damaged, a $5.00 replacement fee will be charged to your account. This ID card is to be returned upon release; the $5.00 fee will not be refunded.

Overflow inmates will be issued an identification band to be worn around their wrist at all times.

**PERSONAL ATTIRE**
Inmates are expected to be fully clothed when outside of their assigned cell or bunk, including a full uniform (stripe shirt and pants), underwear (including a bra for females), socks and sandals/shoes while in the day area or out of the unit. In the recreation areas you must wear issued pants, shirt and shoes at all times. Trustees will be directed as to what to wear while working.
All other clothing items are to be worn in the manner that they were intended to be worn. *IE: no towel or t-shirt shall be worn about your head, etc.* Inmates are restricted to utilizing a maximum of TWO hair ties in their hair at any given time. Altering or writing/drawing on Jail issued clothing will result in disciplinary action.

**ENVIRONMENT**
The CCC shall have adequate lighting, heating, and ventilation as prescribed by national Jail standards. If you have any questions regarding any of the aforementioned subjects contact the Correctional Officer on your unit. When a literacy or language problem prevents an inmate from understanding written information, a staff member will assist the inmate.

**HOUSING/CLASSIFICATION STATUS**
When you are housed at the CCC you have been classified as a minimum security risk level. Receiving formal rule violations and/or your behavior may adversely affect your classification resulting in transfer to the Jail.

**LIVING QUARTERS**
The care and cleaning of your living area or cell is your responsibility. You are required to keep your cell neat and clean at all times and your bed must be neatly made anytime you are not in it. Items not in use are to be stored in the property bin, which will be stored under your bed at all times.

**FORMAL COUNTS**
There will be four (4) formal counts per day. When Formal Count is announced, you are required to immediately go to your bunk and remain there until staff announces that normal activity may resume.

Lights out starts at the 2245 count and is concluded at 0615. During that time all inmates must stay in their bunks unless using the restroom, getting ready for work, or directed otherwise by CCC staff. At 2245 all game playing and conversation will be stopped. The television will be turned off at 2245 and will not be turned back on until 0615. At the breakfast page, inmates attending breakfast may quietly line up at the unit door. Once inmates have completed breakfast they will return to their bunks until 0615.

**PERSONAL CONDUCT**
You are expected to conduct yourself in an orderly, adult manner and be respectful of others. Noise levels shall be strictly enforced. Horseplay is prohibited and is subject to disciplinary action.

**OUT OF BOUNDS**
The following areas are out of bounds for any inmate unless authorized by an officer:

- Another inmate’s bunk
- Behind the front desk
- Entering the Corporal’s office without permission.
- Leaving the housing unit without permission
- Loitering in the bathrooms or shower areas when you are not using them
- Locker room without an officer
- Staff bathroom
- Officer desk areas inside the units
- Any housing unit other than what you are assigned
- Laundry room unless you are the assigned trustee

PERSONAL HYGIENE
Each inmate is expected to maintain an acceptable level of personal hygiene. A hygiene kit will be issued to you when you are assigned to a housing unit. Feminine hygiene products are available. Hygiene items are **NOT** to be flushed down the toilet. Sharing of razors, tooth brushes or other hygiene items is strictly prohibited. Hair extensions or hair styles that prohibit searching by staff will be handled on a case by case basis. *Hair styles may be altered to ensure proper hygiene and for facility Security.*

HAIRCUTS/FINGERNAIL CLIPPERS/RAZORS
Haircuts will be given to inmates whenever a qualified barber is available at the inmate’s expense. A signup sheet will be posted by the housing unit officer prior to the scheduled haircuts. Work release inmates may get their hair cut during their lunch break, just be sure to notify CCC staff of your location change.

Fingernail clippers will be available to inmates during razor pass. The inmate that receives the fingernail clippers will be responsible to return those fingernail clippers to the officer.

**Razors:**
Non Work release/Non DOC- a signup sheet will be placed into the unit at 1815. Officers will collect the sheet at 1845 and issue the razors at 1915. All razors issued must be turned back in by 1945 when officers will pick them up. Any damaged razor must be reported immediately to the issuing officer. If you have tampered with the razor and fail to report the incident to the issuing officer this may result in the entire housing unit being locked down indefinitely and/or disciplinary actions.

Work release inmates and DOC (trustee, W/R, CTP) inmates will be required to purchase razors from commissary if they want to shave. Inmates transferred from a state facility will be allowed to bring in 3 razors they have previously purchased. All razors purchased from commissary will be secured in your assigned tote when not in use.

INMATE MOVEMENT
You may not possess any personal property during movement (unless you are being transferred to another housing unit, directed by staff or being released from the facility) with the exception of the following: legal papers, library or program materials when applicable or work assignment supplies (trustees). Items that are not allowed will be taken away, commissary will be disposed of.
**PAT SEARCHES**
All inmates are subject to being pat searched at any time. When returning to your housing unit you will be pat searched.

**STRIP SEARCH**
Inmate strip searches will be conducted in order to reduce the introduction of contraband brought into the facility.

You will be strip searched upon returning to the CCC after you have left the secure perimeter of the facility. Strip searches are also authorized when there is reasonable suspicion circumstance.

**LAUNDRY**
Laundry will include towels, blankets, mattress covers, sheets, and CCC uniform clothing. Blankets, mattress covers, sheets and mattresses will not be allowed outside the cell. These items are to remain on the bunk. Towels are to be used to dry off after showering and washing only, not for cleaning. “Tenting” or shading your bunk with laundry is not permitted.

**LINEN EXCHANGE**
Each unit has a laundry trustee in charge of washing the unit’s laundry. This includes your 5 t-shirts, 5 pairs of socks, 5 underwear, and 3 bras. Check with your laundry trustee for a schedule. This is the trustee’s job and you do not have to pay or trade for it. Notify officers if a trustee asks for payment.

Twice a week on Tuesdays and Fridays you may exchange your stripes or oranges for new ones. The new stripes are located in the men’s change room. When you are returning from work, ask the changing officer for a clean uniform. Uniform exchange will be arranged by CCC Staff. Do not ask to come out of the unit to receive new laundry. Place your old laundry in the large hamper. If you receive laundry in need of repair, it must be brought to the attention of an officer immediately. Damaging county property may result in disciplinary action.

**ALCOHOL**
Every time you return to the CCC you will be required to blow into an alcohol sensing breath test machine. You are not allowed to use alcohol in any form, this includes (but is not limited to) mouth wash or cold medicine. **YOU CANNOT HAVE ALCOHOL OF ANY KIND IN YOUR SYSTEM.** If you fail a breath test for any amount of alcohol you will be asked to retest again in 15 minutes. If you fail a second time you may be transported to the Jail immediately and will receive disciplinary action up to and including permanent loss of work release.

**DRUG TESTING**
Inmates starting work release must pass a UA test. The initial test costs $15.00 (see W/R fees). Failing the initial test will keep you from going to work until you pass. You may retest every 5 days until you pass. You must pay $15.00 for each retest. During the waiting period, you will still be required to pay normal work release costs unless you decide to be moved to the Jail and request to be taken off the work release program. The initial urine analysis (UA) does not have an option for 3rd party testing.
During your stay at the CCC you may be required to give a random drug test at any time. Failing a random drug test while on the work release program will result in disciplinary action, possible criminal charges, and possible transfer to the Jail for medical observation. You may elect to have the test sent to the DCI laboratory in Pierre for confirmation of the test at your own expense ($45.00). You may continue to go out to work pending results of the test. When the results are returned, the Disciplinary Board will convene to determine any action to be taken. Failure of a random UA is grounds for permanent loss of work release.

Every DOC inmate must pass a UA test monthly. Any failure will result in being transferred back to the Dept. of Corrections facility from where you came, possible criminal charges, and/or violation of parole/probation.

Inmates returning from a furlough lasting longer than 24 hours will need to pass another UA test upon their return. You will be responsible for this cost ($15.00).

**SECTION 3: COMMUNICATION/ MAIL**

**TELEPHONE**
The CCC has telephones in each housing unit that may be used at the inmate’s expense. Improper usage may result in phone restriction or disciplinary action.

**ATTORNEY CALLS**
Inmates may request staff place their name on a list for the inmate’s to have their attorney contacted. The request will be collected after breakfast Monday through Friday. Your attorney will be contacted by staff soon thereafter via telephone or email. All other contacts should be made by mail, inmate phone, or via e-mail through the kiosk system in your housing unit.

**VISITATION**
The Minnehaha County Corrections Center inmates will have opportunity to keep in contact with family and friends through visitation. You have the right to refuse any visit.

Visitors are expected to be orderly and respectful to staff, inmates and other visitors. Visitation can be denied if your visitor is not dressed appropriately. Please refrain from using obscene gestures and language. Lewd conduct is prohibited and may be prosecuted. Visitation privileges will be terminated if any of the rules are violated.

Inappropriate behavior during visitation, damaging visitation equipment and abusing visitation equipment will result in disciplinary action of the inmate and termination of the visitor’s privileges.

Visitation is available for DOC inmates and trustees. DOC inmates must have visitors approved by the DOC Case Manager before visitation is allowed.

**All non-privileged visitation will be monitored and recorded.**
**U.S. MAIL**

There are no restrictions on the amount of incoming or outgoing mail for inmates. All incoming mail is subject to being searched and scanned by Jail staff.

Incoming legal mail will only be opened and inspected in the presence of the inmate to whom that mail is addressed.

Packages that come through the mail will NOT be accepted and will be returned to sender unless prior approval has been obtained from a Jail Sergeant or Lieutenant.

All outgoing mail will be recorded and will not go out until the following business day. All outgoing inmate mail must be unsealed before it is given to staff, this mail is subject to search, and it will be sealed by the Correctional staff.

The only exception to this rule is legal mail, although legal mail is not censored, it will be searched in front of the inmate for contraband. Envelopes without proper addresses and return addresses will not be mailed. Outgoing mail should have the following return address on the outside of the envelope:

**SECTION 4: HEALTH SERVICES**

**ACCESS TO HEALTH SERVICES**
The Minnehaha County Corrections Center has a process for overflow inmates and trustees to initiate requests for health services. Submit your health care need on the kiosk system under ‘sick call’. If you are pregnant or think you may be pregnant please advise the Medical staff. Infectious diseases, mental health care, acute and chronic illnesses will be treated by on-site medical and mental health personnel. Detoxification from alcohol and drugs is conducted under medical supervision. Dental care is provided on an emergency basis.

**Work release inmates are responsible for their own health care needs.** Work release inmates that have a health care need must speak to CCC staff for direction.

**MENTAL HEALTH SERVICES**
The Minnehaha County Corrections Center has a process for overflow inmates and trustees to initiate requests for Mental Health services. Inmates may be referred to Mental Health through a
variety of avenues. Self-referral is done by submitting a Sick Call on the kiosk system or by
speaking to a staff member. Qualified mental health staff will respond to all referrals in a timely
manner and initiate appropriate treatment services as needed.

**WORK RELEASE/ DOC MEDICAL NEEDS**

If you are on the work release program, you are in charge of your own medical care and
expenses. Trustees or Non Work Release inmates will be cared for by medical staff.
Immediately notify staff if you have any medical issues or problems.

**Work release inmates** will have a different procedure for receiving prescription medications
and medical care. This procedure will be explained by the work release staff.

Work Release options for medical visits:
1. Minor/routine medical problems - Make an appointment with your family doctor.
   Notify the CCC Supervisor of the appointment time, place or facility, and doctor.
   This appointment will need to be verified before you are allowed out to transport
   yourself. The doctor’s office must call 367-8428 to verify the appointment with the
   on-duty Supervisor.
2. Serious medical problems – You may visit an after-hours Acute Care facility if they
   are open. Notify staff of your medical complaint and your intention to receive care at
   an Acute Care facility. You will choose the facility where you want to receive
   treatment. The Supervisor will not choose this for you or recommend one facility over
   another. You will be scheduled an event immediately, changed to street clothes, and
   allowed out of the building to transport yourself. Your initial event will be for 2
   hours; however, if you need more time, contact the CCC Supervisor for approval.
   You must take an appointment verification sheet with you.
3. Very serious medical problems (or after hours) – Notify staff immediately and if you
   want an ambulance called. Otherwise you will be allowed to transport yourself to a
   hospital. Notify the CCC Supervisor which hospital you will be going to. If you are
   unconscious or unable to respond you will be transported to a hospital via ambulance
   at your expense.

DOC Inmate options for medical needs:
1. You are responsible for signing yourself up for Sick Call on either Mondays or
   Thursdays. You must be signed up by 0700.
2. Emergencies will be handled by the local hospitals.

You must inform the CCC staff of any updates to your medical condition while at health care
facilities (being admitted to the hospital for example). **With all medical visits you need to take
an APPOINTMENT SHEET with you.** These forms can be found at the front desk or by
asking any officer. A staff member of the medical facility you are visiting needs to complete the
form by filling in the time you arrived, the time you left, any future appointments and sign the
bottom of the form. Bring this sheet back with you and turn it in immediately. Failure to bring
the sheet back, tampering with the form, or forging information on the sheet will result in a
disciplinary write up. If you are going to be in the hospital for more than 24 hours we
recommend you contact your attorney to obtain a furlough from custody. Also, repeated
excessive visits to health care facilities may result in being transferred to the Jail for medical observation.

Comfort items such as extra pillows or special mattresses etc. are NOT allowed even with a doctor’s note. In the event that your physical condition is such that you require such comfort items you will be transported to the Jail so our medical staff may better assist you. During this time you will not be allowed out for work release and will be charged the room and board fee of $10.00 per day.

MEDICATION AT CCC
Work release inmates are responsible for their own medications and are to be kept in their locker or vehicle. Work release inmates will be afforded the opportunity to gain access to their medications when needed, but will not be allowed to leave the building to get medications kept in their vehicle.

DOC/Trustees/Overflow inmates will be notified of Med Pass times.

HANDICAP SERVICES/TDD
Inmates requiring handicap services may make the request to any officer. Telecommunication Devices for the Deaf (TDD) are available for your use.

OVER THE COUNTER MEDICATIONS
Several over the counter (OTC) medications are available for purchase through commissary. OTC’s will be kept in the inmate’s possession.

SECTION 6: KIOSK/INMATE ACCOUNT

**KIOSK**
The Minnehaha County Jail has implemented a Kiosk system that serves several functions. The Kiosk system allows inmates to order commissary, send e-mail, request health services, make general requests and submit grievances. Questions concerning how to use the kiosk should be directed to correctional staff in your unit.

**INMATE ACCOUNT**
Every Inmate will have an inmate account created upon being booked into the Minnehaha County Jail. All inmates bringing in money and all established inmates receiving money from outside will have the money deposited in an individual inmate account. Inmates may request that cashier’s checks or money orders only be placed in property. ALL CASH WILL BE DEPOSITED IN THE INMATE ACCOUNT.

Only money orders, cashier’s checks, and cash will be accepted. Personal checks and payroll checks will not be deposited into an inmate’s account. Upon release, a debit card will be issued for the remaining balance minus any expenditures or charges.

Each inmate will be issued a Smart Card and pin number in booking prior to moving to housing. A $5.00 fee will be deducted from your account for the card, which will be credited back upon release from custody when the card is returned.

Within the kiosk program you will be able to view your account history, order commissary items if you have sufficient funds, or indigent items if you do not. You can also transfer money from your account to your smart card to purchase items from the vending machines.

DOC inmate money (at CCC) will be handled by the DOC liaison.
ROOM & BOARD
Minnehaha County sentenced inmates will be charged a room and board fee. Room and board fees will be deducted from your inmate account daily. If you do not have funds in your account you will accrue a negative balance. The room and board fee will be $10.00 per day. Only the sentencing judge can waive the fee. If you want to apply to have the fee waived, contact any staff member for the form. You can only submit a waiver request for current sentences, not old ones.

Out of County sentenced Inmates and federal inmates will not be charged. Trustee inmates are also not charged room and board on the days that they work.

Inmates with a negative account balance at the time of their release will be responsible to pay Minnehaha County for their unpaid balance. Failure to pay may result in civil lien or forfeiture proceedings against the inmate. If before such civil process occurs the inmate is detained in the Minnehaha County Jail for a new charge, the inmate’s account will begin with a negative balance consistent with the amount owed.

SPLIT DEPOSITS
If you owe money for room and board costs, any deposits made to your account will be split 50/50. Fifty percent of any deposit will be applied as payment towards your room and board; the rest will be available for use to order commissary items.

COMMISSARY
Commissary items may be purchased through the inmate kiosk. Credit will not be given. Choice of items and prices are subject to change without notice. Returns, refunds or exchanges are not permitted. If you contest your order, the entire order may be returned and your account credited. Commissary is a privilege, not a right. It is your responsibility to check over your commissary order prior to signing for receipt of the order. Once you have signed to accept the order, it will not be changed if there is a discrepancy. The commissary order limit is $50.00 per order. This does not include stamps. You are allowed to order twice a week.

Schedule pick up times for commissary at CCC are as follows:

- Friday 1600 to 1830

GENERAL REQUESTS

SECTION 7: PROGRAMS

WORK RELEASE/ELECTRONIC MONITORING APPLICATION
The Minnehaha County Corrections Center has established a Work Release Program and an Electronic Monitoring Program for participation by inmates who have been authorized by their sentencing Judge.

The Work Release Program provides Sentenced inmates with an opportunity to maintain outside employment while still serving a sentence in custody.

The Electronic Monitoring Program affords the inmate the opportunity to maintain employment and stay at their residence.
Inmates requesting detailed information on the work release program or the electronic monitoring program, should contact a staff member to view the Work Release or Electronic Monitoring Information Packet.

DOC work release inmates need to contact their DOC Case Manager. CTP workers should fill out an application when they have been employed. CTP applications will be approved by their Case Manager.

In order to fill out a Work Release application you must sit down with an available officer and they will walk you through the process. You may have multiple jobs but you may not be out of the building for more than 12 hours (including travel time) in a 24 hour period.

Each inmate who participates in this program may be eligible for a sentence reduction. **RECREATION**

DOC inmates, Minnehaha County trustees and overflow inmates will be offered outside recreation for one hour. Weather permitting; recreation may be supervised in the recreation area. If you require a religious diet, you must submit a request to food service on the kiosk system. When your request is addressed you will be provided a “Request for a Religious Diet” form.
