

As highways are upgraded,  
add bike lanes  
Consider bike paths in  
northwest part of  
county

HAVE CANOE launch on  
the EAST side of the  
big Sioux River across  
from the FOP  
and west of Jacksons Crossing  
on HWY 42  
Have public access  
on both sides of the River

July 42 / July 19

— lighted intersection

Humboldt —  
grocery store

Bridge conditions

253<sup>rd</sup> 1/2 mile E of Hwy 19

- Hwy Bridge but on  
a township RD

Sign of motels #122

at intersection of  
133 & 122

Road Condition

County RD 150 ← from (268<sup>th</sup> street)

Big Sioux River to the Iowa Casino  
was DAMAGED by the  
Lewis & CLARK project, still  
in bad shape in spots

State Line Road

Lyon Co on south side

Miwwehaha on North

Just talking about the  
miwwehaha section of Matiatia

HWY 100 - West & E side of SF

Environmental protection  
is critical. For example -  
water quality, landscaping  
buffers, farm/livestock runoff  
should be monitored.

Al Miron -

10/15/12

Support commercial/industrial  
development along railroads  
preserve that land as Ag  
until commercial can occur

Regrade and

Black top

Madison Street

to Ellis Road

The More development for  
businesses or places for  
people to live - Leaves less  
land to grow food for people  
and livestock - should be  
considered

Thank you

We got a post card invitation  
Some got a post card invitation  
and a 3 page letter of  
invitations!

Very poor construction - reworking  
of Hwy 38. Speed limits,  
passing, lane ~~markings~~ markings  
extremely poor resurfacing @ job

Will Ellis

Road Area be

Another major Route

Around West Sioux Falls
